We have enjoyed our stay here. Apartment & linen was so clean. The caretaker was always there to help us. This apartment is near most of the famous places in North Goa. If we come again, we will come here only.

Home away from home! This is located perfectly wherein everything is close by in North goa is 10min ride away. The place was super clean and hygienic and well equipped with all the essentials one might need. The host and caretaker balaram were super supportive and responsive to our every need. The value for money is a 5/5. I would recommend this over a hotel any day. Perfect for a trip with family or friends with 2 bedrooms, bath, a couch and free Wi-Fi, this place has everything one needs.

The experience was wonderful . You just need to pack your bags and go , rest all will be taken care of . I had booked the villa for 4 days and there was no issue that I could raise . The villa is in wonderful condition . The care taker is a very decent guy and helpful and always available for service . All the basic necessities are available nearby . The beaches are around 20 minutes in every direction . The villa is peaceful and secured . I would rate 10/10 .

We are so happy and loved our stay here. I would recommend it to anyone wanting to have a good base while exploring beautiful GOA! We had a wonderful stay at the apartment. It is a beautiful place, immaculately clean and a brilliant location. The host is very warm and helped us in arranging vehicle to move around.

Highly recommend this place!

Home away from home... this is a wonderful 2 Bedroom apartment in Arpora. The location is just right if you want to get to either Anjuna / Vagator or Baga / Calangute. Well kept house for coming back after partying. Balram, the caretaker is extremely polite and helpful and never says no for anything. He has all you need and he took extra care to tell us every single time that we can disturb him even in the middle of the night if we need anything at all. Just the kind of place we were looking for our family of 4.
